**F**or many alumni, Reunion is a family event. Cornell offers the Kids Club for children ages 6–15 on Friday and Saturday of Reunion weekend from 3–11 p.m. Children ages 6 weeks to 6 years may enroll in the Cornell University Child Care’s program on Saturday evening. For more information, see the Reunion website: [alumni.cornell.edu/reunion](http://alumni.cornell.edu/reunion).

The Kids Club provides adult supervision, dinner, academic programs, and recreational activities. Activities are designed to be age appropriate, with a separate schedule for each age group. See the *sample* schedule on the next page.

Equipped with a gymnasium, bowling lanes, classroom, and playing fields, Helen Newman Hall is the Kids Club headquarters. Children begin their Kids Club experience when they arrive at the HNH gymnasium with their parents between 3 p.m. and 4 p.m. Children are introduced to a group of similarly-aged peers led by a counselor. Parents are then free to enjoy their evening as they please while their children partake of the Kids Club activities!

The cost of the 2016 Kids Club is \$70 per child, per day or \$130 per child registered for both days. Parents may register children for one or two days. Register your child at **[alumni.cornell.edu/reunion](http://alumni.cornell.edu/reunion)**. Upon receipt of payment, we will send you a confirmation for Kids Club registration with additional information to ensure your child’s enjoyment. Requests for refunds must be made directly to Alumni Affairs by May 26.
